

HII Provider Health Screening Form

PAGE 1 OF 3
PAGES 2 & 3 MUST BE
RETURNED TO RECEIVE CREDIT

Take all pages of this form to your medical provider when you go for your health screening. Once completed by your provider, it is YOUR responsibility to return this form to QuadMed, an affiliate of HII that manages the screenings for HII. Please allow seven to ten days for processing.

HEALTH PLAN PARTICIPANT

The screening follows the guidelines of preventative care under healthcare reform. Please note that we've provided guidelines on the right to help your provider understand what the screening should entail and what the plan will cover at 100% when you see an in-network provider. Copays or co-insurance should not apply. Understand that if you see an out-of-network provider or if your provider orders additional tests outside these guidelines, they may not be covered and you will be responsible for additional costs.

About your privacy

Your health screening and health check survey information is maintained securely and confidentially by QuadMed, a third-party vendor who operates the BeWell for Life wellness program and the HII Family Health Centers. All personal information is protected by HIPAA (Health Insurance Portability and Accountability Act) and is not shared with HII. Medical information from your health screening and health check survey goes directly to QuadMed. QuadMed then works with Alight, HII's benefits administrator, to ensure you receive the discount on your medical premium for the start of the benefit plan year.

About tobacco use

Employees enrolled in an HII medical plan are eligible for the Tobacco Free Incentive Program. Through the program, employees who declare they are "tobacco-free" receive a preferred, tobacco-free rate on their medical insurance. Employees who declare they are tobacco users receive the standard rate on their insurance. Employees are able to declare if they are tobacco-free or are tobacco users during Annual Enrollment.

When completed, return pages 2 and 3 of your completed form. You may:
